From the Aran Sweater to the Zig Zag Stitch, the love of needlework is this alphabet's theme. Each letter block represents a unique stitching pleasure possessed by the hearts and hands of stitchers everywhere.

Letter Blocks are 31 x 36 stitches each.

They can be stitched, beaded, and embellished as individual motifs or stitched together on your fabric of choice to create a Stitcher's Sampler.

The model pictured here was stitched over two threads on 28 count Tea-Dyed Monaco by Charles Craft.

Finished dimensions will vary depending on fabric count and placement of the blocks in the composition.

Cross Stitch & Bead: If stitching on 14 to 18 count fabric, use 2 strands of floss to cross stitch and also bead the motif. If you have trouble threading a beading needle with 2 strands of floss, put 1 strand of floss through the eye and pull the end down so there are 2 working strands.

Back Stitch: Using 2 strands of DMC floss in the following colors, back stitch as charted: DMC #552 - Butterfly; DMC #519 - Motif Border.

Embellish with a button of your choice. See photo for placement.

You will also need DMC 552 to back stitch.
